Discussion by all members:

1. The Committee talked about the Budget Committee and Planning Board meeting date conflict and the need for additional help on occasion when both committees will be meeting on the same night. Bruce told members on those nights Planning will be broadcast live as usual and the Budget Committee will be taped for later broadcast. The first such meeting is September 16th.
2. The Committee discussed the Community Fair on September 17th. Leo Danjou volunteered to take pictures and create a slide show of the event.
3. Leo Danjou spoke about getting a new editing program as the one he recently purchased was not “up to snuff”. Leo will follow up. The Chair reminded Leo to get a receipt for reimbursement from the cable revolving fund.
4. Leo Danjou volunteered to create a Facebook page for FCTV. Ideas were discussed by all members.
5. The need to create a logo for FCTV tee shirts was discussed again. A formal vote will be taken at the next cable meeting.
6. Bruce White told members he would be attending the next Fremont School Board meeting on September 15th to receive feedback on the school board’s interest in broadcasting their meetings live sometime in the future. Bill Millios volunteered to start the live broadcast of the Energy Committee which will be meeting the same night. Bruce White also mentioned he will soon be contacting the Sanborn Regional media class to request Sanborn Modern Media submissions for FCTV programming and to see if he could interest Fremont students to volunteer some time to help video tape town or school events.
7. Approval of minutes of the August 11, 2015 meeting was postponed until the next meeting.

Meeting adjourned approximately 6:30 pm.
